

Public Hall, Lodi, California. May 23, 1910.

The Board of Trustees of the City of Lodi convened in adjourned regular session, pursuant to adjournment of May 16th., 1910, President G.E. Lawrence presiding and the following other members of the Board being present: J.M. Blodgett, F.O. Hale, C.A. Rich and L. Villinger.

The Minutes of the Previous Meeting were read and approved.

The following applications for Building Permits were read and granted:

E. Rappuhn, Dwelling on Lot 19 Block 5 E. Lodi;

Thompson and Grout, Dwg. on Lot 23, Block 1 W. Lodi;

Wing Lung Co., Add. to bldg. on Lot 2 Block 28.

Claude Keagle asked that water be supplied to him on W. Lodi Ave. G.S. Warren said it would be better to connect with the main on Lodi Ave. Mr. Keagle said he would take such pipe as he could use in the lot from the City when the system was changed, so it was decided to have the connection made, using $\frac{3}{4}$ " pipe from the present main on Lodi Ave.

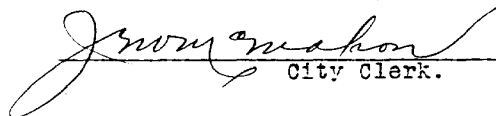

F.L. Marchand and others asked that an alley be opened through block 50. C.L. Buell, who controls the land through which the proposed alley would pass, said he would give the land for \$150.00. It was the opinion of the Board that the parties to be benefited thereby should make the necessary terms with Mr. Buell.

The claim of Appleton and Frederickson Bros. was approved by the Committee of Sewer Construction and Engineer Fink for the sum of \$5134.87.

The matter of the purchase of an adding machine was presented by the representative of the Burroughs Adding Machine Co., and laid on the table for the present.

It was moved and seconded that this Board do now adjourn till Tuesday evening, May 31st. at the usual hour and place. Carried and so ordered.

Attest:

City Clerk.
